Mexico Maritime Key Profiles

Allan Narezo
SENIOR CONSULTANT
Tampico

Mobile: +528333003309
Office: +52 833 213 1449
Email: allan.narezo@abl-group.com

Specialist Expertise: Civil engineering, marine warranty survey (MWS), audits and inspections, marine assurance, P&I, project cargo, offshore energy operations, marine assurance.

Allan Narezo is a Civil Engineer and Marine Warranty Surveyor with extensive experience in project planning, inspections, audits, and fixed-object damage assessments in the marine and oil and gas industries. A member of the Society of Offshore Marine Warranty Surveyors, he has supported complex project cargo, offshore installations, and casualty investigations for P&I Clubs.

Allan joined LOC (now ABL Group) in Tampico in 2012 and has since participated in numerous onshore and offshore operations, including heavy lifted, skidded, and trailered loadouts, installation vessel operations, pile driving, grouting, trenching, and float-over platform installations in the Gulf of Mexico.

He has delivered suitability surveys, wet tow inspections, bunkering, off-hire and on-hire surveys, damaged cargo assessments, and FOD investigations. Allan also serves as Mexico Safety Officer, overseeing compliance, safety processes, and occupational health initiatives across field operations.

Ricardo Rodriguez
MARITIME DIRECTOR, MEXICO
Tampico

Mobile: +528331558145
Office: +52 833 213 1449
Email: ricardo.rodriguez@abl-group.com

Specialist Expertise: Marine assurance, offshore energy operations, specialist offshore vessels, subsea operations, H&M and P&I.

Ricardo is a mariner involved in marine surveying for shipping and oil and gas offshore projects. He has served on several merchant and offshore vessels, with relevant experience on board of anchor handling tugboats, supply vessels, and dynamically positioned vessels engaged on platform maintenance and subsea surveys.

Ricardo has over 22 years of experience in the industry and has served as the Maritime Manager of the ABL Mexico office since January 2012.

Ricardo has attended numerous salvage and wreck removal projects in Latin America.
