ABL SINGAPORE: MARINE SURVEYING AND CONSULTANCY

LOCAL INSIGHT. GLOBAL MARITIME ASSURANCE. 24/7 SUPPORT.

ABL Singapore combines **over 170 years of maritime heritage**, dating back to our roots in *The Salvage Association*, with a highly experienced **in-country team of multi disciplined marine, engineering and operational consultants**.

Based in one of the world's leading maritime hubs, our Singapore team provides **rapid, independent support** to maritime clients across the full asset lifecycle - from concept and feasibility through to loss prevention, casualty response and claims management.

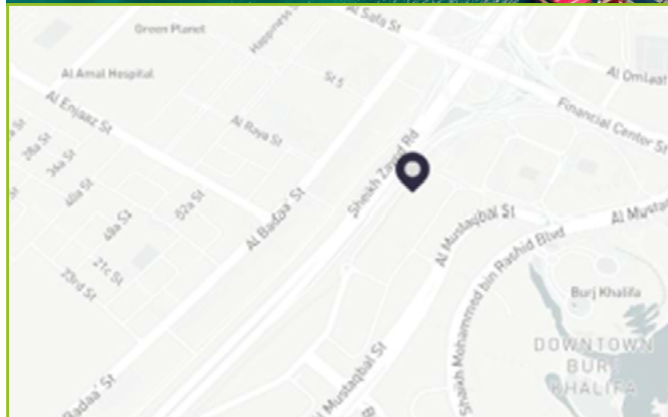

We support a broad range of maritime markets, including **commercial shipping, superyachts, ports and harbours, defence and small craft**, drawing on both **local expertise and ABL's global network across +43 countries**, to deliver practical, trusted advice when it matters most.

With access to a **24/7 maritime response hotline**, our teams are available at short notice to support clients operating across Singapore and the wider Asia Pacific region.

Our Services

- **24/7 Maritime Casualty Response**
- Ports & terminals consulting
- Navigational risk analysis
- Superyacht services
- Marine assurance
- Marine & engineering consultancy
- Technical due diligence
- Marine warranty survey (MWS)
- Hull & machinery (H&M) claims
- Protection & indemnity (P&I) claims
- Salvage & wreck removal support
- Marine casualty investigation
- Expert witness

Singapore Maritime Key Profiles

Capt. Adam Eager
MARITIME MANAGER

Mobile: +(65) 9897 9863
Office: +(65) 6224 9200
Email: adam.eager@abl-group.com

Specialist Expertise: Pilotage, Ports and harbour operations; Offshore operations.

Adam is a seasoned maritime professional with over 30 years of extensive experience across naval operations, offshore maritime and construction activities, port operations, marine assurance, loss prevention, and maritime consulting. He combines strategic insight with decades of hands-on practice to deliver safe, effective, and innovative marine solutions tailored to complex operational environments.

Capt. Jason Zamparutti
ADVISORY & SOLUTIONS MANAGER

Mobile: +(65) 9641 0153
Office: +(65) 6224 9200
Email: jason.zamparutti@abl-group.com

Specialist Expertise: Marine Operations, Anchor-Handling Vessels, Marine Warranty Services, Marine Assurance and Risk Service, Pre-Purchase Surveys, Vessel Condition Surveys and H&M.

Jason is a master mariner with a rich career spanning over two decades in the maritime industry. His journey started at sea, where he served as Master on various vessel types including yachts, passenger vessels, fishing vessels and offshore vessels. His extensive seafaring experience, combined with senior shore-based management roles, has imbued him with an in-depth understanding of maritime operations, fleet management, regulatory compliance, and safety standards.

He has enhanced his expertise with various qualifications, including a Chief Executive Officer Program, Executive Certificate in Leadership and People Management, courses in Sustainable Strategies, Green Economy, AI and an Advanced Diploma in Marine Surveying.

Capt. Michael Riddell
SALVAGE CONSULTANT AND SCR

Mobile: +(65) 8292 3385
Office: +(65) 6224 9200
Email: michael.riddell@abl-group.com

Specialist Expertise: Salvage Master, Casualty Response and SCR

Michael Riddell is a Master Mariner and Salvage Master with extensive knowledge of and experience in the global Marine environment. This includes Emergency Response and Wreck Removal projects, both operationally and with the various associated services within the Salvage Industry. He was appointed to the Lloyds SCR Panel in March 2019.

He started his maritime career with Safmarine in South Africa, sailing on cargo, container vessels and bulk carriers. He continued his sea career onboard the ocean-going salvage tugs WOLTEMADE and JOHN ROSS, thereafter carrying out several vessel deliveries for SMIT.

He joined SVITZER Salvage on the opening of their office in Cape Town in 2005, promoted to Salvage Master in 2011, and continued with the Company until their restructuring in 2017. He returned to Ardent (Svitzer/Titan Salvage merger) shortly afterwards under contract until Q1 of 2018. He joined London Office Offshore Consultants (LOC) Singapore as a Master Marine/Marine Consultant a short while later and thereafter. Brookes Bell in January 2020.

While in Singapore he was involved in numerous projects, including vessel Suitability and Condition Surveys, Towage Approvals, container ship fire inspections and consulting for and attending Salvage Operations on behalf of insurers, as well as Governments and Marine Authorities.

Wong Chun Keit
SENIOR MARINE SURVEYOR

Mobile: +(65) 9423 3284
Office: +(65) 6224 9200
Email: chunkeit.wong@abl-group.com

Specialist Expertise: Marine Vessel Surveys, General Condition, H&M casualty Surveys, P&I Pre-Entry Condition Survey, Sale and Purchase Inspection, Shipboard Audit (ISM/ISPS/MLC), Flag State Inspection, Project Management, Docking Supervision.

Chun Keit is a Chartered Engineer, Chartered Marine Engineer, and Member of the Institute of Marine Engineering, Science and Technology (IMarEST). With over 15 years of experience in marine and offshore engineering, he specializes in shipboard audits, marine inspections, flag-state inspections, dry-docking supervision, and project management including newbuilds, BWTS, and LNG reliquefaction plant retrofits.

Certifications: CSWIP 3.1 Welding Inspector; ISM/ISPS/MLC Internal Auditor; ISO 9001, 14001, 27001, 45001, 50001 Internal Auditor. Chun Keit has solid expertise in Hull & Machinery (H&M) surveys, including coordinating surveys, reviewing technical reports, and supporting assessment of vessel related damages, as well as providing accounts approval for damage related costs.

Capt. Zane Quinn
PRINCIPAL MASTER MARINER/MARINE ASSURANCE LEAD

Mobile: +(65) 9130 5412
Office: +(65) 6224 9200
Email: zane.quinn@abl-group.com

Specialist Expertise: Marine Surveying including tow approvals, single voyage and vessel inspection, Marine Warranty Surveyor specializing in project cargo float over operation including planning and execution, Marine Warranty Surveyor on board Jack up Rigs, Accredited eCMID and OVID Inspector, Tow master / Station Keeping.

Capt. Zane Quinn is a Master Mariner with over 20 years of maritime experience, including 17 years in offshore oil and gas operations. DP assurance inspections on several offshore DP Class construction / diving support / AHS vessels/ offshore rigs as well DP 2 ROV, Saturation Dive and Air Dive vessels. Seas trials and FMEA proving trials.

Engaged in loadouts, towage operations and sail away towing, rig moving, anchor handling operations, as well as Dry Bulk / Liquid / Deck and Hazardous cargo Handling operations. Specializes in Marine Warranty Surveys for jack-up rigs, float-over operations, and tow approvals.

Joel Small
MARINE SURVEYOR

Mobile: +(65) 9669 9347
Office: +(65) 6224 9200
Email: joel.small@abl-group.com

Specialist Expertise: Offshore Wind SOV, Walk to Work, and DP Operations, Multifunction Vessel Operations – Tender, Towage & Hydrographic Survey, Newbuild Vessel Supervision – Shipyard Construction and

Commissioning, Technical Documentation, PMS & Safety Management System (SMS) Development, Shipboard Audits & Compliance – ISM, ISPS, MLC, Flag, Class & FMEA, Leadership, Vessel Management & OPEX Budget Control & H&M.

Joel is a certified Class 1 CoC Marine Engineer with more than 20 years seagoing experience. His background includes onboard management of various vessel types including Wind Farm Service Operation, Multi-function/Buoy Tender, Multibeam Survey, Oil and Chemical Tanker, and RO-RO Ferry.

Joel also has considerable experience compiling planned maintenance systems, generating safety management systems documentation and performing Class inspections from his extensive shipyard experience overseeing newbuild vessels over several projects.

Joel Seciawanto
MARINE ENGINEER

Mobile: +(65) 9434 2302
+62 8515 8410733
Office: +(65) 6224 9200
Email: joel.seciawanto@abl-group.com

Specialist Expertise: Vessel Suitability inspections, On & Off hire surveys, Consumable surveys, H&M, Marine Warranty Surveys, Project Cargo loadouts, Transportation reviews, Heavy-Lift Assessments, Marine System Design & Marine Propulsion System.

Joel Herdian Seciawanto is a Marine Engineer with a joint-degree from Institut Teknologi Sepuluh Nopember (ITS), Surabaya, Indonesia and Hochschule Wismar, Germany. He began his professional career in marine engineering, contributing to system design work for newbuild vessels before moving into consultancy.

He joined ABL to develop his involvement in the Marine Warranty Survey discipline. Since then, he has participated in a wide range of MWS operations, including project cargo loadouts, transportation reviews, and heavy lift projects. Within the maritime department, he is also involved in vessel inspections, including suitability, on hire, and off hire surveys.

Tyrone Ko
SENIOR MARINE SURVEYOR

Mobile: +(65) 9848 6665
Office: +(65) 6224 9200
Email: tyrone.ko@abl-group.com

Specialist Expertise: H&M and P&I Survey / Inspection, JH Surveys and Shipyard Risk, Office Crew Management survey.

Tyrone is a certified Class 1 COC Marine Engineer with more than 10 years of experience in marine and offshore oil and gas operations. His background includes vessel inspections, risk analysis, HSQE/ISM audits, loss-prevention assessments, and technical advisory support for claims.

Tyrone has solid expertise in Hull & Machinery (H&M) surveys, including coordinating surveys, reviewing technical reports, and supporting assessment of vessel related damages, as well as providing accounts approval for damage related costs.

Tan Jia Xin
SURVEYOR

Mobile: +(65) 8339 9214
Office: +(65) 6224 9200
Email: jiaxin.tan@abl-group.com

Specialist Expertise: Marine Vessel Surveys, General Condition, H&M casualty Surveys, P&I Pre-Entry Condition Survey, Sale and Purchase Inspection.

Jia Xin a new graduate engineer with a joint degree in Naval Architecture and Marine Engineering from Singapore Institute of Technology and Newcastle University.

Jia Xin has expertise in Hull & Machinery (H&M) surveys, including coordinating surveys, reviewing technical reports, and supporting assessment of vessel related damages, as well as providing accounts approval for damage related costs.

Caren Pang
GLOBAL SUPPORT SERVICES CASE MANAGER

Mobile: +(65) 9782 4243
Office: +(65) 6224 9200
Email: caren.pang@abl-group.com

Specialist Expertise: Case administration support, Credit control and Accounting.

Caren is a dedicated finance, credit control, and administrative professional with over 30 years of experience supporting accounting operations, AR collections, office administration, and executive-level coordination.

She has a proven track record in managing full sets of accounts, maintaining strong credit control processes, and supporting both regional and global functions across multiple organisational transitions. Her experience with Global Support Services broadened her understanding of Lloyd's services and deepened her insight into how underwriters and insurers collaborate worldwide - reinforcing the global impact of her work and the value everyone contributes.

Known for her reliability, attention to detail, and strong organisational skills, Caren consistently ensures smooth financial operations and effective administrative support.
